MEMORANDUM FOR: Chief, Reference Branch, CIA Library

SUBJECT : List of Intelligence Studies and Serial Publications
Indexed in the IPI Constituting a Portion of the DB/I
Vital Materials Deposits.

1. Enclosed herewith is the list of publications indexed in the IPI which are sent to the Vital Materials Repository. The following notations have been made opposite each item to indicate in what form the publication has been transmitted to the Vital Materials Repository:

H - Hard Copy
M - Microfilm

Some of the items on this list are obsolete, and the following symbols are used for your information:

D - Publication Discontinued
X - No record of item being currently
received.

2. This list in its present form cannot be considered current or complete. Many items appearing on this list are no longer indexed in the IPI. (If a report is on domestic research it is not in the IPI.) It should also be understood that many new publications have been added to the IPI and are therefore sent to the Vital Materials Repository.

3. This office suggests that a review be made of the later issues of the IPI cumulations in order that a current revision of this list may be published.
